RESOLUTIONS

RESOLUTION #1-2022

WHEREAS, on December 26, 2021, the Governor of New York issued Executive Order 11.1, and

WHEREAS, this Executive Order allows for the automatic renewal of the real property tax exemptions afforded in subdivisions 7, 7-a and 8 of §459-C of the Real Property Tax Law and subdivisions 5, 5-a, 5-b, 5-c and 6 of §467 of the Real Property Tax Law if the assessing unit adopts a

resolution directing the assessor to grant exemptions pursuant to such section on the 2022 assessment roll to all property owners who received that exemption on the 2021 assessment roll, and

WHEREAS, this would allow the Low-Income Senior/Disabled property owner to not have to file an exemption application with the Town of Hornellsville Assessor in order to continue their exemption on the 2022 Assessment Roll, and

WHEREAS, this law also allows the governing body of the assessing unit to put a local option for when the assessor might require a renewal application.

NOW, THEREFORE, BE IT RESOLVED, that the Town of Hornellsville Town Board, by majority vote of the members of the Town Board, allows the Town of Hornellsville Assessor to automatically grant exemptions for RPTL 459-c and RPTL 467 as were received on the 2021 Assessment Roll onto the 2022 Assessment Roll, and

FURTHER RESOLVED, that the Assessor can review the 2022 income for property owners whose income may have dropped in 2020 to ensure that the largest exemption is granted to the property owner if the income is provided by the federal deadline to submit income taxes with an extension, and

FURTHER RESOLVED, that the Assessor can require a renewal application to be filed by taxable status date, in instances where the Assessor has reason to believe that an owner who qualified for the exemption on the 2021 Assessment Roll may have since changed their primary residence, added another owner to the deed, transferred the property to a new owner, or died.

Motion was made by Oakes, seconded by Giglio to accept the resolution.

Roll Call: Broughton, Giglio, Mauro, Oakes and Yanni; all ayes. Carried.

5. Vouchers for all Utility Claims paid prior to audit shall be presented at the next regular meeting of the Town Board for audit pursuant to the provisions Town Law §119(1).

Buckley explained that there are a number of calls that they have to go on that insurance does not pay out the full bill and all, “I’ve fallen and I can’t get up” calls are not billable. He added that laws and regulations have changed over the years as well, and volunteerism has declined. The City proposed a \$125,000 contract as the City fully serves the Town with 100% EMS coverage. Buckley stated that the ambulances are on a rotational lease program and after so many miles they’re rotated out. Yanni stated that this chart is misleading because it does not show the revenue the City received from Town calls. She requested a more accurate revenue vs expense sheet for just the Towns portion of calls. Buckley stated that Yanni could work with Logan to see if they can get the numbers needed. Oakes tried to identify costs that the City could be getting paid for, but aren’t currently. Buckley responded that the city uses PAB (Professional Ambulance Billing) to handle all of their ambulance billing. Yanni stated that the Town understands that the current contract of \$10,000 a year is not realistic. She proposed that we start with a lower amount and revise as necessary. Broughton reminded the City that the 15-year \$10,000 ambulance contract was given in exchange for land the Town annexed to the City. Broughton stated that the City is currently receiving \$575,000 a year from taxes. Buckley added, of which the Town is entitled 15%. Buckley reminded the Town that once the current contract expires, they’re not obligated to service Hornellsville. Yanni responded that there is no doubt that the Town has to provide coverage, we just need to find a number that the City is happy with that the Town can afford. Oakes asked if there was ever discussion about an ambulance district that all participants could share the cost of. Brzozowski responded that the City cannot, but Townships can.

CALL TO ORDER

The Meeting was called to order at 6:01 p.m. by Dan Broughton, Supervisor with the pledge of allegiance.

PURPOSE

The purpose of this Special Meeting was to have a Budget Workshop to discuss and make revisions to the 2023 preliminary budget.

PRELIMINARY BUDGET

The Board was presented with an updated preliminary budget with an extended projection based on past cost prepared by Castle-Harvey and Broughton. The board further discussed the financial impact of the ambulance contract on the taxpayers and the fund balance. The board agreed that the taxpayers could not handle the full burden of the ambulance contract which would have shown an increase in Town and Village taxes by over 10%. Castle-Harvey deducted various figures from the fund balance for the board to see the impact. The board agreed that the Town could contribute \$20,000 from the B fund and \$30,000 from the general fund to lessen the financial burden. This would take the overall increase from over 10% down to about 5.75%. Broughton will prepare a letter of explanation that will be included with the 2023 Town and County tax bill.

With no further business, on a motion made by Mauro, seconded by Oakes, the meeting was adjourned at 6:56 p.m.
